

Borgess at Woodbridge Hills

City of Portage, Michigan

Awards

Merit Award, 1996

American Institute of Architects (AIA)
Southwest Chapter

O'Boyle, Cowell, Blalock & Associates, Inc. (OCBA) was retained by Eckert/Wordell Architects, Inc. in a collaborative effort for Borgess Medical Center's facility which was completed in 1996. OCBA completed design and construction documents and provided construction administration for all site work including drives and parking, walks, grading, storm water management, a pond feature, landscaping and irrigation.
